Utah County Single Adults have not been able to congregate at the usual activities such as dances & firesides. Hopefully you've already found ways to stay in touch and check on each other within the ever changing local health guidelines. Many have already been doing some of these, and perhaps the ideas below will spur us each to reach out in new ways. Here are a few suggestions to help keep connections strong with one another in spite of the distancing:

- Create a text thread to visit and check in with various friends and acquaintances.
- Form a Come Follow Me study group.
- Increase ministering efforts among other single adults that you know.
- Practice using Zoom and other programs to be prepared to view firesides or engage in video calls. Various apps for communication include: Marco Polo, GroupMe, Duo, etc. so try a few and learn something new.
- Find out who your ward and stake single adult reps are.
- Search the official Church website! There are many resources including news, movies, activities for all ages, and more! [www.churchofjesuschrist.org](http://www.churchofjesuschrist.org)
- Search YouTube for Church content (the old Mormonads are delightful entertainment).
- Gather in small groups for conversation, exercise, or entertainment.
- Join the UCSA Facebook page to keep informed about online firesides and other announcements.

**UCSA generally sponsors the following activities. As with all UCSA activities, church standards of dress and behavior always apply. Mid-Single Adults ages 31-45 are also welcome. Hopefully these will start again soon:**

**FIRESIDES:** Utah County Single Adults usually sponsor two firesides a month, held on the 2nd and 4th Sunday unless otherwise posted. Each fireside is followed by an opportunity to mingle and enjoy light refreshments.

**DANCES:** Utah County Single Adults usually sponsor two dances a month, held on the first and third Friday unless otherwise posted. Some special occasion dances for General Conference and holidays may also be scheduled. As with all UCSA activities, church standards of dress and behavior apply. Divorces must be final.

**TEMPLE:** Utah County Single Adults usually sponsor a Provo Temple night each quarter. The Payson Coordinating Council sponsors a monthly breakfast followed by Payson Temple sealing ordinances.

**CHOIR:** Utah County Single Adults invite all single adults age 31 and up to be part of the UCSA Choir. The choir usually performs concert firesides each year for Christmas and Easter as well as a Pops Concert of show tunes in August. All choir concert firesides are free and open to the general public to allow family and friends of the choir to attend.

**UCSA activities and events will resume when leadership clears these group activities to start again. Check the UCSA website at [UtahSingleAdults.org](http://UtahSingleAdults.org) and the Official UCSA Facebook group for any new or updated info.**
